As everyone seems to have different ideas on when servicing is due and what it comprises I thought I'd list all of the relevant info in one thread. (This assumes an annual mileage of less than 18,000 miles a year and is taken directly from the Nissan Maintenance booklet pages 18 and 19) At 1 Year ...

The service engine soon light is often mistaken for the check engine light. The check engine light is a light to warn you to a possible issue with your exhaust system or emissions system. The service engine soon light can come on for minor issues like a loose gas cap, or for more major problems such as possible engine failure.
