Some of our courses are designed to cover a wide range of grade levels, while others are geared toward a specific grade. If you feel your student is not ready for a particular subject or is too advanced for something that is offered, please refer to our Grade Level Chart to explore all the courses available on SchoolhouseTeachers.com and the grade level designated for each.

Fifth Grade Technology: 32-lesson Comprehensive Curriculum ...

I have taught middle school technology courses for several years and try hard to keep adding new things to my courses. I purchased the 7th and 8th grade Tech Lessons and the K-6 Digital Citizenship books. I have found them very useful and well organized. They not only correlate to the ISTE Standards but also the Common Core.
