Assisted Reproductive Technology (ART) And Florida Family Law. A proactive approach is a smart step. Parents who are planning to have a child using a third-party collaborator (a sperm donor, egg donor or gestational carrier) would be wise to recognize the legal risks involved and take steps to protect themselves. Women who agree to serve as a surrogate also need legal representation.

~~McArthur Law Firm, LLC | Colorado Surrogacy Attorney ...~~

Assisted Reproductive Technology Laws and Representation. Until more recent times, legal parenthood was possible only through sexual intercourse or through the adoption process. When a woman gave birth, she was the legal mother of the child, and if married, her husband was presumed to be the legal father.
