"Be the Change: Saving the World with Citizen Science" by Chandra Clarke is THE QUICKEST eBook that I have read this year. It examines everyday actions that can contribute to making our World and Planet Earth a MUCH BETTER place, and what we as residents of our Planet Earth can do in order to make the best and most of where we reside.

[Be the Change: Saving the World with Citizen Science by ...](#)
Chandra Clarke's self-published second edition of Be The Change: Saving the World With Citizen Science encourages readers to make the world a better place by engaging in citizen science. The book is divided into two main parts, with "Part I - All About Citizen Science" offering a succinct overview of citizen science.

" Not only will you reduce demand for plastics with these changes, you'll be reducing environmental factors such as ever larger landfills, costly recycling exports, and the carbon footprint from manufacture to post-use. You will also be reducing damage to land and sea life from plastic pollution. " — Saving The Blue

[Keep the Change Savings Program from Bank of America](#)
Whenever cash is paid for something and change is given back, save it. Change adds up fast into big bucks. I also save the one dollar bills and group into tens.

[Be the Change — United Nations Sustainable Development](#)
Be the Change is a little book with a powerful and important message for today's youth about using our freedom to give freedom to others. I love how the author shares his particular passion- modern day slavery- in this book quite clearly but also points out that your God-given passion might be in another area.

[Saving Spare Change | ThriftyFun](#)
No, Gandhi Did Not Say Be The Change You Want To See In The World. It stirs us into taking action within the only thing in the world over which we have any control: ourselves. These things lead us to the beautiful notion embodied in the Michael Jackson song, Man In The Mirror.
