Deconstruction and Pragmatism - PhilPapers
Jacques Derrida and Richard Rorty are two of the most famous living philosophers. Deconstruction and pragmatism are the two major intellectual traditions whose current influence would be unthinkable without their work. This ground-breaking book brings these two thinkers together in a critical confrontation between these two traditions.

Deconstruction and Pragmatism by Simon Critchley, Jacques ...
The purpose of this volume is to bring deconstruction and pragmatism into critical confrontation with one another through staging a debate between Derrida and Rorty, itself based on discussions that took place at the College International de Philosophie in Paris in 1993. The ground for this debate is laid out in introductory papers by Simon ...
