In Destined for War the data also include 12 of 16 cases leading to war, but a comparison between the table in the book (42) and the table from the 2015 Atlantic article shows one case from the 2015 data was dropped and another was added.

Destined for War: Can America and China Escape Thucydides ...  
Allison outlines the scenarios of possible USA / China war: a conflict in the high seas around China that China claims as sovereign territory; a conflict over the trade imbalance; a declaration of independence by Taiwan; and of course a renewal of the conflict in Korea that could accidentally involve both the USA and China in a war neither wants.

America's Collision Course With China - The New York Times  
Today, the same structural forces propel China and the United States toward a cataclysm of unseen proportions, even as both sides insist that such a war could never occur. In Destined for War, Allison compares the US-China conflict to its closest parallel: World War I. There, a rising Germany threatened the supremacy of the British Empire.

Destined for War: Can America and China Escape Thucydides ...  
Graham Allison's "Destined for War: Can America and China Escape Thucydides' Trap?" is a very interesting book and highly recommended for anyone who cares about geopolitics or America's standing in the world.
