## East Central Area Plan - Denver

China Western Development, also Great Western Development Strategy or the Open Up the West Program, is a policy adopted for the western regions. The policy covers 6 provinces, 5 autonomous regions, and 1 municipality. This region contains 71.4% of mainland China's area, but only 28.8% of its population, as of the end of 2002, and 19.9% of its total economic output, as of 2015.
