Treatment > HoG Handbook > Hemophilia of Georgia

This part of The Handbook gives you the basics about bleeding disorders. It helps you understand how blood clots. It tells how normal blood works and how it works in people with hemophilia, von Willebrand Disease (VWD), and platelet disorders. It describes the tests done to figure out what type of bleeding disorder someone has.

Group Riding Handbook - Harley Owners Group - 2033

To become a member of the Muletown HOG Chapter you must join and be an active member of the National H.O.G.® National Harley Owners Group. National H.O.G.® membership dues are \$45.00 annually for a Full Membership and \$30.00 for an Associate Membership.

Welcome to the Redstone HOG Chapter #4052 web site. This web site was developed for and is open to the members of the Redstone HOG Chapter. If you would like to join the Redstone Chapter, please click on the "Chapter Membership Form" on the left, fill it out & return form to the chapter via Redstone Harley-Davidson.

The Basics > HoG Handbook > Hemophilia of Georgia

We hope The Handbook tells you what you need to know in order to stay healthy. It takes more than medicine to treat a bleeding disorder. In this chapter we look at more ways to stay healthy. Staying Healthy starts out by listing the things people with bleeding disorders should know about their own health. We tell you things you can do to prevent some common problems.

By the Book - H.O.G. Charter Members

The Winnepesaukee H.O.G. Chapter is a volunteer organization that works in partnership with Laconia Harley-Davidson to provide a positive member experience through camaraderie and social engagement. The Chapter orchestrates events and safe motorcycle rides for our members and their guests.

Staying Healthy > HoG Handbook > Hemophilia of Georgia

The bleeding disorders discussed in The Hemophilia, von Willebrand Disease and Platelet Disorders Handbook are congenital. That means they are present from birth. They are also hereditary. This means they are passed down from parent and child through the genes. In some of the disorders, only one parent has to have the gene in order to pass the disorder to the child.

HARLEY OWNERS GROUP H.O.G. CHAPTER HANDBOOK

This chapter of The Handbook is about recognizing and treating bleeding in a person with a bleeding disorder. It gives you the "where, what, and how" of treatment. Optimal care involves learning to treat bleeding yourself at home (home therapy) and being seen regularly at a hemophilia treatment center.
