[I Confess I got spanked by my friend](#)

Find out how to get a guy to ask you out using these really sneaky and smart ways. There are many ways to ask a guy out. But to ensure that it works on a guy, you have to remember to never make it obvious that you have a huge crush on him.

[Exactly How To Get Your Ex Back in 5 Steps Guaranteed](#)

Give him his space. A guy wants to feel like he's free to be himself, which requires some alone time. Respect that space by having your own interests and activities outside of him. Make it clear to him you have your own group of friends, hobbies, and interests. If he sees you're more independent, he's likely to want you more.

[How I Got Him To](#)

Show him you're cool with being touched gently, and you won't flinch or back away. Allow him to touch you. Without it going beyond your physical contact comfort level, don't push him away if he tries to get a little frisky. Hug him back. If he comes in for a hug, invite it happily, and be sure he's the first one to let go. Play with his hair.

[How To Make Him Miss You Like Crazy & Love You More](#)

The energy you put into the relationship is the only thing that matters. Putting in energy doesn't come from a self-absorbed place, it isn't attached to feelings of anxiety, fear, worry, anger, rage, resentment. You are outside of yourself and putting energy into giving him that "extra something"...

[How To Make Him Want You Back Again in 13 Powerful Ways](#)

Let him also put some extra effort in. If you keep chasing after a man for months while he is going on with his activities, you'll most likely be seen as a desperate woman. Being available to him always is not really a good thing. Don't let him get bored. Instead, allow him to make advances towards you. Many men enjoy the thrill of the 'chase.'
