Prompt: If the product determines that a color print cartridge has reached the estimated end of life, select this setting to be prompted at the control panel to continue printing. The supply does not need to be replaced unless the print quality is no longer acceptable. Once an HP supply has reached estimated end of life, HP's premium Protection Warranty on that supply has ended.

Duty cycle is defined as the maximum number of pages per month of imaged output. This value provides a comparison of product robustness in relation to other HP LaserJet or HP Color LaserJet devices, and enables appropriate deployment of printers and MFPs. Recommended monthly page volume note

HP Color LaserJet CP5220 Series. Service Manual

Since most of the issues occur with Adobe products I would try using the latest postscript driver since this is the printer language which was designed by adobe and should work well with its documents.
