Indestructible Truth The Living Spirituality

In Indestructible Truth, Tibetan Buddhism is introduced not as an exotic religion, but rather as an expression of human spirituality that is having a profound impact on the modern world. In addition, it presents the point of view of meditation and the practice of the spiritual life, paying special attention to contemplative practice and meditation as taught in the Kagyu and Nyingma schools.

"primordially" as the basis of its spirituality. In this sense, it is concerned not with truth that is fixed and dead, but with truth that is alive and constantly emerging. And it is only this kind of truth that is indestructible because it is not a reified version of the past, but a reflection of what is ultimately so in the
