The Introductory Textbook of Psychiatry provides a comprehensive introduction to the field both for students new to psychiatry and for students who are studying for their board exams. This authoritative, sixth edition has been thoroughly updated to reflect advances since the last edition.

Introductory Textbook Of Psychiatry 3rd Edition

As a scientific discipline, psychiatry has enormous breadth. It comprises both the technical, as in the frontier-expanding research in molecular genetics -- and the human and personal, as in the insights and support therapeutically given when a clinician treats a patient. The Introductory Textbook of Psychiatry, Fifth Edition, equips the clinical student with a sure and knowledgeable grasp of ...

Introductory Textbook of Psychiatry: 9781585624003 ...

One of the ironies of writing books is that the preface, that part to which the reader comes first, is the very part to which the writers come last of all. Once the rest of the book is finished, composing the preface can allow the authors an opportunity for reflection and an attempt at summing-up their initial aims and current hopes for the book as it leaves their hands for the final time.
