Loving La The Low Carbon

LA is glorious, but complex. It is simultaneously blessed with space, good weather, diversity, history, high culture, and a wonderful wackiness where innovation reigns. There will always be a need for new ways to explore and rediscover this kaleidoscopic city.

READ THE NEW BOOK Loving LA the Low Carbon Way: 24 ...

I love the book's low carbon mission and the way it illustrates the interconnection between car-free travel and a true embrace of the city. However, LA's car-free culture is moving so quickly, that future editions will want to include the extension of the Expo Line to Santa Monica, and the emergence of bike share programs in Santa Monica and Downtown LA (scheduled to expand to Pasadena in 2017).

How to Explore L.A. the 'Low Carbon Way' | KCET

For all those who have struggled to lose weight and failed: Meet George Stella, the low-carb chef. Once weighing in at 465 pounds, George transformed his life with controlled-carbohydrate eating. Now he shares his secrets to successful weight loss, proving that the low-carb lifestyle doesn't have to be boring.
