Post-Truth | The MIT Press

In fact, humans have always lived in the age of post-truth. Homo sapiens is a post-truth species, who conquered this planet thanks above all to the unique human ability to create and spread fictions. We are the only mammals that can cooperate with numerous strangers because only we can invent fictional stories, spread them around, and convince millions of others to believe in them.

Does America have a “post-truth” problem? - Vox

In his new book, Post-Truth: Why We Have Reached Peak Bullshit and What We Can Do About It, which he will discuss at this event, Evan Davis steps inside the panoply of deception and spin employed not just in recent politics, but in all walks of life to explain why bullshit is both pervasive and persistent.

Do we live in a ‘post-truth’ society? - Battle of Ideas 2017

We do not live in a “post-truth” world, neither in the Middle East nor in the West - nor in Russia, for that matter. We live in a world of lies. And we always have lived in a world of lies.

Post-Truth: Why We Have Reached Peak Bullshit and What We ...

The rise of 'post-truth' is rooted in the middle-classes, not the masses. ... In this respect, for as long as we have been postmodern, we have been setting the scene for a “post-truth” era.

The surprising origins of 'post-truth' - and how it was ...

How we arrived in a post-truth era, when “alternative facts” replace actual facts, and feelings have more weight than evidence. Are we living in a post-truth world, where “alternative facts” replace actual facts and feelings have more weight than evidence? How did we get here? In this volume in the MIT Press Essential Knowledge series, Lee McIntyre traces the development of the post ...

a book post truth why we have reached peak bullshit and what we can do about it plus it is not directly done, you could consent even more all but this life, on the world. We manage to pay for you this proper as competently as simple pretension to acquire those all.

Post-Truth: Why We Have Reached Peak Bullshit and What We ...

"Tell the truth, but make the truth fascinating." Considering Ogilvy's profession, the quote was intended to be understood in the context of advertising. We can roughly interpret it like this: To sell a product, we must tell the truth about that product while also highlighting its best features, so it appears fascinating to the consumer's eyes.

Post Truth by Matthew D'Ancona and Post-Truth by Evan ...

Pinker decries the idea that we are living in a post-truth era. His essay is a long argument, in some places a reductio ad absurdum, against the notion of post-truth and on behalf of disinterested reason and objective truth. For Pinker, there simply is nothing good to be said about post-truth as either concept, prospect, or reality.

We're in a post-truth world with eroding trust and ...

"All I would say about the talk of us being in a post-truth era, or one in which we have reached peak bullshit, is that yes we are in a pretty strange period, but every cycle has its end. Bullshit ebbs and flows, returning in different forms for different occasions. ...
