How to Present Well - 9 Tips
Skip the usual introduction. One of the most boring ways to start a presentation is to tell the audience your name. If you want to make sure that they know your name, put it on the first slide of your visual aid or at the top of a handout that you distribute. Just don't waste your precious opening by saying, "Good morning.

I'd like to take the opportunity to thank you all for coming here today... Beginning / Introduction. a) Self introduction. My name is..... and I am..... I am.....and..... b) Introducing the topic

Presentations in English | Speaking | EnglishClub
Adding some visual clues to your speech makes it a PRESENTATION - at least in my opinion. In reality, to engage the audience and make the presentation flow nicely, reading information off the slides just doesn't cut it: You have to know how to address the audience. You have to use the best means of expression to comment on the slides.

25 Powerful Business English Presentation Phrases to ...
Tell a story, maybe one with a personal note. Stories are great for history or English presentations. Maybe you can tie your presentation into a little anecdote about a famous historical person? Ask a provocative question. Ending with a question is a good way of getting your audience to think about your presentation in an interesting way.
