Book Review: Key Takeaways from Product Roadmaps Relaunched

tl;dr – Product Roadmaps Relaunched is an excellent guide for creating and maintaining product roadmaps. The roadmap is a critical — and frequently missed — opportunity to articulate why you are doing this product, why it’s important, and why the things on it are absolutely vital to success.

Product Culture

In my 15 years of product management and new product development, I’ve learned that product vision, goal-driven decisions, customer evidence, ruthless prioritization, and clear roadmap communication are essential for product success. Product roadmaps are central to what you do as a product manager.
