How to Conceal Synthetic Urine - Buy Fake Urine

If it is too cold make sure to heat your synthetic urine. You can microwave it for about ten seconds or use a brand like Sub-Solution that includes a heating powder. You can also use a hand warmer. Tape the hand warmer or heating pad to the side of the cup and it should heat the urine fairly quickly.

Sub Solution Synthetic Urine 2019 Review: Still The Best?

I went to a local head shop and bought "The Simple Solution" Fake Urine. That was all they had and nothing was on the Internet about that brand. I went to labcorp to take my test. I used the kit like it said. I used the heating pad that came with it and placed the bag against my skin inside my pants.
