In 1999, nearly two decades ago, the American Art Therapy Association (AATA) issued a mission statement that outlined the organization's commitment to research, defined the preferential topics for this research, and suggested future research directions in the field. One year later, Reynolds et al. published a review of

this summer? Be sure to collect some driftwood to make this driftwood art for your home. I love a few beach or nautical touches in my home for summer and this driftwood art beach craft is easy to make and will look great as your new piece of home decor.. Add it to your summer mantel for a nod to the beach that will leave you dreaming of waves
