De Certeau took a different approach, positing tactics not as subordinate to strategy but as opposed to it. He wrote about people in their everyday lives, not in conditions of extremity and conflict, in a book fittingly entitled The Practice of Everyday Life (1984). The setting of strategy, notes de Certeau, is always the purview of power.

In this incisive book, Michel de Certeau considers the uses to which social representation and modes of social behavior are put by individuals and groups, describing the tactics available to the common man for reclaiming his own autonomy from the all-pervasive forces of commerce, politics, and culture. In exploring the public meaning of ingeniously defended private meanings, de Certeau draws ...

The Practice of Everyday Life Quotes by Michel de Certeau

To remain unconsumed by consumer society—this was the goal, pursued through a world of subtle and practical means, that beckoned throughout the first volume of The Practice of Everyday Life. The second volume of the work delves even deeper than did the first into the subtle tactics of resistance and private practices that make living a subversive art.

The Practice of Everyday Life by Michel de Certeau

"The Practice of Everyday Life, published in 1974 and now the first of his books available in English translation, offers ample evidence why we should pay heed to de Certeau. . . . the work all but defies definition. History, sociology, economics, literature and literary criticism, philosophy, and anthropology all come within de Certeau's ken."

The practice of everyday life (Book, 1984) [WorldCat.org]

We make the history by the practice of everyday life. Based on post-structural theory, history was written by us, it is all about language rather than the events. The same events and materials may discovered and interpreted in different ways, now and in the future.
