In examining the varieties of religious experience, he will look at those "most accomplished in the religious life." James will take an existential point of view, looking at both the biography and psychology of religious subjects.

Religious experience | Britannica

He agreed that religious experiences are primarily emotional and that every person has a consciousness of the divine. These emotions are deeper than reason and it is 'self-authenticating;' not requiring testing to see if it is genuine. Doctrines such as the creed were attempts by individuals to understand their religious experience.

The Varieties of Religious Experience by William James

The Varieties of Religious Experience (1902) by William James, a psychologist and philosopher who taught at Harvard, contains, in edited form, a series of natural theology lectures called the Gifford Lectures which he delivered at the University of Edinburgh in the two years leading up to its publication. The lectures argue about the nature of religion and the tendency of modern religious studies to ignore the importance of science in their research.
