Trauma and Recovery: The Aftermath of Violence — from ...

When Trauma and Recovery was first published in 1992, it was hailed as a groundbreaking work. In the intervening years, it has become the basic text for understanding trauma survivors. By placing individual experience in a broader political frame, Judith Herman argues that psychological trauma can be understood only in a social context.

Trauma and Recovery brings a new level of understanding to a set of problems usually considered individually. Herman draws on her own cutting-edge research in domestic violence as well as on the vast literature of combat veterans and victims of political terror, to show the parallels between private terrors such as rape and public traumas such ...

Career. Herman equally influentially set out a three-stage sequence of trauma treatment and recovery. The first involved regaining a sense of safety, whether through a therapeutic relationship, medication, relaxation exercises or a combination of all three. The second phase involved active work upon the trauma, fostered by that secure base,...
