The employment equality plan is a tool which you can use to audit your employment and service provision policies and to plan what further work you will undertake to promote good practice. It may also show up areas of your work where you are not currently meeting the requirements of the law.

[International Diversity Management | Factsheets | CIPD](#)

Diversity is a state of having differences, whether it is age, condition, race, religion or belief, and sexual orientation. The Equality Act 2010 aims to promote diversity by fostering good relations between different groups of people. Valuing diversity is a bigger issue than just avoiding discrimination, even though that is very important.
