Joanne Walker has three days to learn to use her shamanic powers and save the world from the unleashed Wild Hunt. No worries. No pressure. Never mind the lack of sleep, the perplexing new talent for healing herself from fatal wounds, or the cryptic, talking coyote who appears in her dreams. And if ...

Thus begins The Walker Papers, [Urban Shaman] the first book of the series. I liked the character, enjoyed her growing awareness of powers and her problematic and skeptical attitude toward the whole thing. But since suddenly that rider was after her, too, well, she didn't have much choice about buying in to what was happening to her.

I looked like a walking advertisement for one of those "wow" eye-drop commercials. Second runner-up for Least Attractive Feature on an International Flight was my hair. I put my contacts in two little paper cups and set them ostentatiously on the appropriate sides of the sink, then rubbed water through my hair to give it some life again.

Urban Shaman - Light Fantasy In response to the reviewer who complained this was a "Harlequin-like" novel - well Luna is the new fantasy line from Harlequin. The books are supposed to be about strong female characters in fantasy settings. Harlequin novels are good novels more often than some would like to admit. ...
