~~2012 Volvo S60 Engine Problems | CarComplaints.com~~

You can't even order a V50 like that anymore. All you can get now is the R-Type with the T5 engine. No options for MT or AWD We have quite a few Volvo S40s around here as ZipCars, so I have driven both the 2.4i and T5. The difference between the two is pretty astounding with the T5 being a a lot more fun to drive.

~~Performance Upgrades vs. Engine Longevity — Volvo Forums~~

2012 Volvo s60 t5. Started having oil burning issues around 68k. Took it in to get repaired and paid \$1200. At 74k, it makes noise. Volvo says the engine is shot and since it's out of warranty they won't do anything. I have escalated to Volvo. My oil engine pressure light never went on. Others are getting their engines replaced by volvo ...

~~Are Volvo's turbo engines reliable? | AnandTech Forums ...~~

Engine repair can be costly and it's good to know how far you can go before breaking something, but it's also good to know how much the engine can take without reducing life span -- aside from outright component

failure. This week we'll cover what the Volvo 5 & 6 cylinder engines can and cannot handle in terms of performance and engine life.
