LOOK AT YOUR OWN FACE

Here's our list of the top 11 tips to make your face look healthier and cleaner. 1) Maintain a balance of hydration and oil. Constantly bombarding your facial skin with products and cleaners will not only fail to give you the desired results but also potentially damage your face. Your face naturally produces oils and moisture from the pores.

Easy Ways to Look Younger | Reader's Digest

You can wash your face and spritz on all the rose water you want, but having your best skin ever goes far beyond a quick daily routine. Your skin is your body's largest organ and that means it requires some extra care, whether that's externally and changing your pillow cases weekly or internally and loading up on phytonutrients.
